

**Breathe on me, Spirit of the Living God
as you breathed on the disciples your Spirit of truth
Touch me with your fire
and set me ablaze with your love**

**Renew your Church, Spirit of the Living God
beginning with me if you wish.**

**Renew all peoples of the earth, Spirit of the Living God
so all will know your love, justice and mercy**

**Renew our lives, Spirit of the Living God
so we will be bound more deeply together as sisters
and brothers in Jesus Christ Our Lord.**

**Come, Holy Spirit of God
Breathe on me, Breath of God
Fill me with life new**

Amen
